

Coundon Primary School

Together **E**veryone **A**chieves **M**ore

Eco-Squad Minutes: Tuesday 18th October

Mr Scott shared Environmental Review: Eco-squad to complete this with their class / teacher and return to Mr Scott to identify key areas to develop this year.

Discussed litter picking – rota now in place, most year groups have remembered to do this each week. Areas identified as concern are around Forest School and the field area. Y5/6 have permission to go into these areas to pick but **MUST** ask permission from the staff member on duty and **MUST** keep to the breaktimes and not be late back to class. Y3/4 team identified that there was rubbish stuck in the mud by the tyre near the trim trail – Mr Scott to share with SSOs

Compost bins rota created – Mr Scott took the squad to explain the process on their duty day. Collect bucket from near greenhouse. Empty the black bins into this and then into one of the compost bins near the greenhouse.

Eco-squad want to run a poster competition – members to talk to class about what would be a good focus for this year.

Eco-squad shared that not all classes were completing Travel Tracker.

Ideas shared by team:

Having recycle bins on the playground

Having bird feeders in forest school

ACTIONS:

Eco-squad to complete Environmental Review with their class

SSO to clear rubbish by the tyre near Trim Trail

Eco-squad to remind class about using the black bins for food waste at breaktimes, use of crisp recycling and also writing equipment recycling

If appropriate, Eco-squad to remind their class teacher to complete Travel Tracker

Mr Scott to look into prices of bird feeders for forest school

Mr Scott to look into prices of recycle bins on the playground
