Dear Parent/Carer

We are really excited about being able to host our KS2 Carol Concert at Coventry Cathedral on Monday December 12th at 10.30am. It will be a magical occasion bringing the school community together to celebrate Christmas.

The plan is for the children to walk into town first thing in the morning. We have made this journey on many occasions and all safeguarding measures will be in place for making this journey. They are resilient and actually find it exciting walking with their friends.

Alternatively, if you are attending the performance and would prefer to transport your child, to the cathedral and back to school, we can meet you there. There is not the option to transport only one way as we need to ensure correct ratios for those walking and cannot have a larger group returning.

If you are going to transport your child you will need to arrive at the Cathedral between 10am and 10.15am. You do not need to come to school first. Unfortunately, anyone who arrives late once the performance has started at 10.30am will need to sit with their child and participate in the community seating area. Your child will not be able to walk to the front and join their peers as recitals and readings will be taking place and it would be unfair for children's performances to be interrupted.

We are also looking for any parent volunteers who are happy to assist us walking to and from the Cathedral with those pupils who are walking.

Can you please complete the slip below, answering all the questions so we can plan for the morning, ensuring it is a joyous occasion for our school community.

We look forward to having you join us.

Kind Regards
Natasha Maude

I would like my child to be included in group walking to the Cathedral.

I will transport my child to the Cathedral and return back to school after the Concert.

My child will require a school lunch on Monday 12th when they return to school.

I am happy to support the school walking with the children to and from the Cathedral.
