NPQH

Dear Parents / Carers,

Primary Consultation 2022 Admissions Policy

We have previously shared with you that the local authority have forecast that numbers of surplus places in Coundon is anticipated to increase over the coming years, resulting in further low numbers for the school. The majority of the school's funding comes from pupil numbers and it is clearly not sustainable to have multiple year groups being massively under sized.

Therefore, due to falling numbers we have approached the Authority and have indicated our interest in reducing our Pupil Admission Number back to 60 (2 form entry) we are hoping this can take place from Sept 2021. This reduction will put us in a better financial position where we can invest in the children's education and experiences.

Moving forwards, Coventry City Council is proposing to reduce the Published Admissions Number for Coundon Primary School starting in September 2022.

School Name	Current Number	Proposed Number
Coundon Primary	90	60

The reduction will apply to Reception in 2022 and for each year after this. The size of all higher year groups in the school are expected to remain unchanged whilst children progress through the school.

Schools, parents of children between the ages of 2 and 18, residents and other members of the public will have the opportunity to have their say on these proposed changes between **25th November 2020 - 6 January 2021**.

You are invited to make comment on the proposed changes to this policy. Your views are important to us.
