

I think of a number. I subtract 25 and add 2. I then multiply by 2. My answer is 154, what was my number?

I think of a number. I add 15 and multiply by 2. Then I divide by 2 and my answer is 16, what was my number?

I think of a number. I divide by 2, add 98 and my answer is 100. What was my number?

I think of a number. I add 50, multiply by 3 and subtract 25. My answer is 275. What was my number?

I think of a number. I multiply by 20, divide by 10 and subtract 5. The answer is 195. what was my number?

I think of a number. I double it, add 31, and then subtract 4. My answer is 149, what was my number?

I think of a number, I multiply it by 2, and then add 9. The answer is 20. What was my number?

I think of a number, I divide by 4, add 10 and then double it. My answer is 44. what was the number?

I think of a number, I multiply by itself, subtract 44, add 10 and my answer is 66. What was the number?
